I need service for:

___ Schulmerich Bells ___ Malmark Bells

Number of Octaves _____

___ Polishing and Cleaning Refurbishment:

Take apart the handbell, clean and polish the castings, Clean the yoke assembly. If Schulmerich Handbells, replace the washers, stopnuts and bumpers on the Spring posts. If Malmark Handbells, clean and set tensions on the Springs. Replace any Springs that are questionable. Reassemble and perform voicing and spring tension check. Price per octave: Region 1 - \$300 Region 2- \$325 Region 3 - \$300 Region 4 - \$325 Region 5 - \$350

___ Tension and Voicing Refurbishment:

This refurbishment sets the voicing and tension settings on the bell. This refurbishment does not involve cleaning. On Schulmerich Handbells, the washers, bumpers and stopnuts, springs will be replaced if necessary. Price: \$200 per octave

Complete Refurbishment:

This refurbishment completely replaces the yoke assembly on the handbell. The casting is also cleaned and polished. Costs are as follows:

___ Octave One: \$800 ___ Octave Four: \$1050

___ Octave Two: \$800 ___ Octave Five: \$1050

___ Octave Three: \$850 ___ Octave Six: \$1350

With Schulmerich Bells, you have the choice of Select-A-Strike Clapper heads and Quick Adjust Clapper heads. Prices are the same. Call for questions and explanation on the difference and what would best suit your situation.
